Gospel-Centered Discipleship: Becoming a Disciple that Makes Disciples

Led by: Brian Bone & Bo Bray

Description

When Jesus returned to the Father, He left us with one core mission that should define our lives more than any other: "Make Disciples." However, we often fail to walk in obedience to this task because we don't understand what discipleship is or how we can engage in it. In this course, we will dive into God's word to answer three simple questions: What is a disciple? What is discipleship? And how can I engage in making disciples? Join us as we seek to become obedient disciples who make disciples!

Required Materials

Gospel-Centered Discipleship by Jonathan Dodson (\$10/person)

Week 1 (June 7)

Title: What is a Disciple?

Description: This week, we will introduce the concept of discipleship by looking into scripture to discern what is a disciple? What does Jesus expect us to replicate when he commands us to "Go and Make Disciples" in the Great Commission?

Week 2 (June 14)

Title: What is Discipleship?

Description: What do we mean when we say the word discipleship? Does it involve reaching people to Christ for the first time – what some might call evangelism? Or does it just involve the maturation of believers into fully-grown followers of Jesus?

Week 3 (June 21)

Title: The Heart of Discipleship – Gospel Motivation

Description: Many of us in the church have engaged in fruitless discipleship relationships in the past. What are some of the things that make discipleship fail? What are the wrong motivations that we often hold? And conversely, what are the right, Gospel-centered postures we must learn?

Week 4 (June 28)

Title: The Driver of Discipleship – Holy Spirit Power!

Description: What allows us to experience spiritual growth in our life? Is it our discipline and moral effort? Is it our initiative and drive to grow? NO! Scripture teaches it is the Holy Spirit of God alone that can produce in us what we seek. Let's dive into scripture and see how this works!

Week 5 (July 5)

Title: The Context of Discipleship – Community!

Description: We will examine the truth of scripture that shows us that discipleship always occurs within the context of community. Our spiritual growth is not designed to happen in isolation!

Week 6 (July 12)

Title: The Application of Discipleship – Go and Make Disciples!

Description: We will unite everything we learned into a clear strategy for stepping forward and engaging those around us in a discipleship process that centers on fighting to believe the Gospel and kill sin in our lives.
